*A Division of the*

## **Comprehensive Community Plan**

**County: Clark**

**LCC: Clark County Youth Coalition**

**Date Due: December 2013**

**Date Submitted: 12/19/13**

**New Plan                  Plan Update X**

**LCC Contact: Connie S. Minich, CPP**

**Address: P.O. Box 3081**

**City: Clarksville, IN 47131**

**Phone: 502.445-1941**

**Email: clarkcountylcc@yahoo.com**

**County Commissioners:**

**Clark County Commissioners**

**501 E. Court Ave., Room 306**

**Jeffersonville, IN 47130**

**Mission Statement:** The mission of the Clark County Youth Coalition is to reduce substance abuse and addictive behaviors through prevention/education, treatment/intervention, and law enforcement/justice initiatives in Clark County.

**History:** The Clark County Substance Abuse Task Force was established in May 1987. This group was initially formed in response to concerns related to alcohol and other drug abuse by young adults in Clark County. By the fall of 1988, the vision of the Task Force began to broaden as agencies and organizations became more involved. These dedicated professionals and concerned citizens began organizing efforts around numerous family and youth related issues. In 1989, the group was renamed as the Clark County Youth Coalition.

The CCYC employs an Executive Director and she is a certified prevention professional. Her responsibilities include handling the day to day operation of the coalition, which is a 501c3, non-profit organization as well as providing technical assistance and completing site visits to grantees.

Over the last 25 years, the LCC has provided community education as well as participated in prevention/education, treatment/intervention and law enforcement/justice initiatives, in collaboration with numerous community agencies and/or organizations. Through the grant process from the drug free community fund collections, agencies can receive funding to help implement programs that address substance abuse.

**General County Information:** According to the *2011 Clark County Epidemiological Profile*, the population of Clark County is 105,281 residents, which is less than 2% of the total population in Indiana. Clark County has several small towns and two larger metropolitan cities: Jeffersonville and Clarksville, together they make-up half of the county's total population. Total population under 18 is 25,544. The median family income is \$55,139.

Clark County is located directly across the Ohio River from Louisville, Kentucky. Some of Clark County's major employers include the US Census Bureau, Greater Clark County School Corporation, Clark Memorial Hospital, Jeffboat, and Koetter Woodworking.

### **Summary of the Comprehensive Community Plan:**

Planning for the 2011 Comprehensive Community Plan included a Community Forum Luncheon. Invitations were sent to numerous social service professionals, community leaders, law enforcement and justice personnel, local elected officials, school corporation personnel, healthcare professionals, and individuals with interest in alcohol, tobacco and other drug issues.

During the Community Forum, the LCC evaluated the current problem statements as well as what objectives have been met and/or need to be updated or deleted. Participants in the Community Forum voted to keep all three current problem statements.

The 3 significant problems to be addressed within the Comprehensive Community Plan:

- (1) Youth use and adults abuse alcohol in Clark County
- (2) Youth and adults use marijuana in Clark County
- (3) Youth and adults misuse and abuse prescription drugs in Clark County

Following approval by the State Commission, the LCC will work with community organizations to plan and implement programs which address the problem statements and objectives identified in the plan. The new plan will be the framework to structure how the county DFCF will be allocated to community organizations.

The objectives outlined in the following plan are feasible and important in addressing alcohol, tobacco and other abuse related issues within this community. The new plan reflects efforts to be undertaken by both the LCC and the community at large.

## Membership List

### County LCC Name: Clark County Youth Coalition

#	Name	Organization	Race	Gender	Category
1	Nancy Morton	Brandon's House	Caucasian	F	Treatment

- **20 DUI Felony**
- **288 Criminal Arrests**
- **41 Criminal Felony**
- **2012-13 Best Overall in the State Medium Size Task**

### **Final Report (end of Year 3):**

- 1.
- 2.
- 3.

### **D. Objectives:**

#### **1. Prevention and Education**

- A. Improve and increase prevention/education programs with an emphasis on proven prevention strategies and curriculum
- B. Continue to support after school and summer programs for all children and youth
- C. Increase general public awareness of local issues related to alcohol use, as well as efforts and programs to reduce alcohol use and/or abuse in our community
- D. Address the issue of binge drinking and alcohol consumption by minors
- E. Implement a social norms education campaign within the community

- F. Reduce access to alcohol by working with alcohol providers to card, to limit alcohol marketing, and to educate parents about the consequences of hosting parties, and/or the problems associated with the accessibility of alcohol in the home
- G. Recruit and train new LCC members with an emphasis on youth involvement
- H. Increase protective factors in an effort to promote healthy behaviors among youth

## 2. Treatment and Intervention

- A. Continue to support affordable, effective, treatment programs/services, provided by credentialed professionals
- B. Identify adults and youth with addictions earlier and refer those individuals to treatment
- C. Continue to advocate and support intervention programs for youth and families

## 3. Law Enforcement and Justice

- A. Advocate and support appropriate training and programs for local police officers and justice agencies to address crimes that involve and/or are alcohol related
- B. Continue to advocate and support the School Resource Officers and D.A.R.E. program
- C. Continue to advocate and support aggressive enforcement of impaired drivers through saturation patrols and DUI roadblocks
- D. Continue to advocate for clear consistent consequences for all offenders

### End of Year 1 Update:

#### 1. Prevention/Education

- 2012 IPRC ATOD Survey-10th grade Monthly use prevalence rate for Alcohol: ***Southeast Region 31.5% which is a decrease of .5%***
- 2012 Daily and Special Use of Alcohol, Tobacco, and Other Drugs - 10th grade Binge Drinking prevalence rate: ***Southeast Region 20.8% which is an increase of .6%***
- ***2011 Clark County Epidemiological Profile, 2010 Drug and/or Weapon Expulsions-120***
- In 2011, **31 alcohol violations** were reported on campus in student housing. There were also **28 disciplinary referrals** to the Vice Chancellor of Student Affairs for alcohol related incidents according to the 2011 Annual Report of Crimes
- Afternoons Rock- Served **307** Clark County Elementary and Middle School Students-DSA 14
- Our Place Drug & Alcohol Education Services-**Footprints for Life Program Participates-569 Clark County students**-The Footprints for Life Program is a research-based, six-lesson prevention program that helps young children build a strong foundation of life skills rooted in key social competencies, including planning and decision making, interpersonal skills, cultural competence, peer pressure, and peaceful conflict resolution
- Clark County Youth Shelter **Family Education and Support Program-175 Program Participates- 78% of participants** had an **increased knowledge**

**of how to identify and access community resources by a minimum of four resources**

- Jeffersonville Police Department-**DARE Graduates-496**
- This year the LCC is conducting a public awareness campaign to educate and inform key stakeholders, elected officials and members of the community at-large, about who the LCC is, what the LCC does, and the importance of collecting the Counter Measure Fees, and how that money is allocated within the community, and the programs and services provided by that funding.
- The LCC Executive Director attended the **CADCA Mid-Year Training Institute** in July, at Nashville TN
- The LCC has provided funding for **15 Prevention/Education and/or After School/Summer programs**
- The LCC is always in the process of recruiting new members by networking and attended community meetings, trainings, and events hosted throughout Clark County and the State. For the first time in my 10 years of being the Executive Director, we now have representation from the Indiana Excise Police that attends on a regular basis, and has added a wealth of information and expertise, in the area of reducing alcohol and underage drinking

**2. Treatment/Intervention**

- Brandon's House Counseling Center provided Free Master's Level Counseling to **182 Free Master's Level Hours of Counseling, to 43 Individuals and/or Families\***most providers do not have data broken down by specific substances
- Clark County has **35 AA, 16 NA, and 1 Al-Alon** meeting each week
- Life Spring provided comprehensive behavioral health and addiction related services to **2,277 Clark County residents**
- Our Place Drug & Alcohol Services served: **167 youth and adults in their Early Intervention Program, 38 adolescents and participating family members in the Journey Adolescent Intensive Outpatient Program, 38 adults in Journey Adult Outpatient Program**
- Clark County Youth Shelter **Betting Against Drugs Program-175 Program Participates-100% participants could name at least 5 negative effects of drugs and/or alcohol and 99% reported a continued desire to remain drug-free**
- Clark County **Drug Court-65 Active Participants**-in April, Drug Court held is **17<sup>th</sup> graduation since its inception, with 10 graduates, and 1 drug-free baby that was born**
- The LCC has provided funding for **15 Treatment and/or Intervention programs**

**3. Law Enforcement/Justice**

- **Alcohol Related Arrests, 1/01/11— 12/31/11 Clark County Sheriff's Department**

	Under 18		18 and Over		Totals

### End of Year 2 Update:

1. **Prevention/Education**
  - 2013 IPRC ATOD Survey-10th grade Monthly use prevalence rate for Alcohol: ***Southeast Region 29.7%, which is a decrease of 1.8%***
  - 2013 Daily and Special Use of Alcohol, Tobacco, and Other Drugs - 10th grade Binge Drinking prevalence rate: ***Southeast Region 20.0%, which is an increase of .8%***
  - **Afternoons Rock-** Served **1,145** Youth in Southern Indiana Counties, including Clark County
  - Our Place Drug & Alcohol Education Services-**Footprints for Life Program Participates-2,126** in Clark, Floyd and Harrison County
  - Clark County Youth Shelter **Family Education and Support Program-186 Program Participates**
  - Jeffersonville Police Department-**DARE Graduates-541**
  - **Terrace of Park Place Neighborhood Association Block Watch Training-** 23 Neighborhoods in Jeffersonville had 3-5 representatives attend Block Watch training covering a variety of topics including safety and substance abuse. The representatives will in turn be taking the training and education that they received, back to their neighborhoods and offer the education to them. Several of the

- presenters were members of the LCC, as well as the Executive Director assisted in the planning and coordination of the training.
- This year the LCC funding a new project submitted by the **Greater Clark County School Corporation** to provide awareness and education on the effects of substance abuse and/or misuse, and how substance abuse can lead to suicide
  - Members from the LCC attended the **Indiana Student Achievement Conference on Learning**, in January, at Indianapolis
  - At the March “Lunch and Learn” the **Providence High School SADD Club** was the featured presentation and also presented a skit about Alcohol and Underage Drinking
  - At the May “Lunch and Learn” **Judge Vicki Carmichael and Lyda Abell presented about JDAI and the Clark County Detention Center**
  - The LCC received the **College Success Award from the Commission of Higher Education**, at the State Rotunda on May 8, 2013, for all of the work with community partnerships that provides programs and services for students, in Clark County
  - Members from the LCC attended the **College Success Coalition Training**, in June, at Indianapolis
  - In July, the Executive Director, and Jason Jackson, the LCC Vice-Chair and an officer of the Jeffersonville Police Department, attended the **CADCA Mid-Year Training Institute**
  - In August, the Executive Director presented to members of **CADIN** at their monthly meeting, about how to create a tracking system for their County DFC collections
  - The Executive Director and other community members from the LCC attended the **IYI Kid’s Count Conference**, in December, at Indianapolis IN
  - Clark County Youth Coalition was one of the three Indiana communities that were chosen to participate in the **NIAAA National Social Host Ordinance Trial**. The LCC will be working on an Alcohol Social Norms/Community Awareness Campaign, as well as begin working on developing Social Host Ordinance
  - The LCC Executive Director working in conjunction with the County Clerk and Auditor’s Offices found money that was accredited into the wrong fund, but has been transferred into the **County Drug-Free Community Fund**
  - Through the County DFC funding, the LCC has provided funding for **16 Prevention/Education and/or After School/Summer programs that are on-going throughout the year**, in Clark County

## 2. Treatment/Intervention

- Brandon's House Counseling Center provided **194 Free Master's Level Hours of Counseling, serving Individuals and/or Families Sessions**
- Since January 1, 2013, **Childplace Counseling Services** has completed 6 initial assessments, 25 individual counseling sessions, 2 family sessions, 5 medication management sessions and 7 urine drug screens
- Life Spring provided comprehensive behavioral health and addiction related services to **2,301 Clark County residents**

- **LifeSpring which serves both Clark and Floyd County** purchased two evidenced based curriculums. The **SASSI** is being used for youth and adults who are at risk for substance abuse. LifeSpring is working with referral sources to properly identify those at risk for substance dependence and screen those fitting the criteria. **The Hazelden Co-Occurring Disorders Program** is being used by the Assertive Community Treatment (ACT) Team, an intensive, multi-disciplinary program using home and community visits as the primary mode of intervention and integration into different aspects of treatment and community assimilation. ACT is primarily for clients who have a history of multiple hospitalizations and difficulty maintaining independence and sustainability. The ACT team is comprised of a psychiatrist, a team leader, a nurse, substance abuse specialists, supported employment specialists and other mental health providers, as appropriate. This funding is providing evidence base curriculum for the substance abuse specialist to use with clients. Both of these curriculums have been validated as effective treatment mechanisms. **SASSI is the Substance Abuse Subtle Screening Inventory**, a psychological questionnaire that is designed to screen individuals for substance dependence and substance abuse. This instrument has been validated and is considered to be an Evidence Based Practice. **The Hazelden Co-Occurring Disorders Program** was purchased for use by the ACT Team. The program consists of five curricula, a DVD, and the Clinical Administrator's Guidebook. These resources will be used to screen, access, and treat residents who suffer from a psychiatric illness and a co-occurring substance use disorder. Worksheets, handouts and video information is available for clients and their families. This program is flexible enough to offer a standardized yet customizable treatment experience. It gives clients the knowledge; structure and support they need to achieve abstinence from drugs and initiate a long-term program of mental health recovery
- Our Place Drug & Alcohol Services served: **188 youth and adults in their Early Intervention Program, 35 adolescents and participating family members in the Journey Adolescent Intensive Outpatient Program**
- Clark County Youth Shelter **Betting Against Drugs Program served 186 Program Participants**
- In 2013, Clark County **Drug Court-61 Active Participants, 5 Participants Graduated, and 4 Participants Terminated from the program**
- Through the County DFC funding, the LCC has provided funding for **15 Treatment and Intervention programs that are on-going throughout the year**, in Clark County

### 3. Law Enforcement/Justice

### Final Report (end of Year 3):

- 1.
- 2.
- 3.

### D. Objectives:

#### 1. Prevention and Education

- A. Improve and increase prevention/education programs provided by the schools and other community organizations with an emphasis on proven prevention strategies and curriculum
- B. Continue to support after school and summer programs for all children and youth
- C. Increase general public awareness of local issues related to marijuana use as well as efforts and programs to reduce marijuana use in our community
- D. Implement a social norms education campaign within the community
- E. Recruit and train new LCC members with an emphasis on business involvement
- F. Increase protective factors in an effort to promote healthy behaviors among youth

#### 2. Treatment and Intervention

- A. Continue to support affordable, effective, treatment programs/services, provided by credentialed professionals
- B. Identify adults and youth with addictions earlier and refer those individuals to treatment
- C. Continue to advocate and support intervention programs for youth and families
- D. Advocate for Drug-Free Workplaces, which include random drug testing and employee assistance programs

### 3. Law Enforcement and Justice

- A. Advocate and support appropriate training and programs for local police officers and justice agencies to address crimes that involve and/or are marijuana related
- B. Continue to advocate and support the School Resource Officers and D.A.R.E. program
- C. Advocate and support collaborative marijuana eradication programs with local law enforcement including the Conservation Officers and State Police
- D. Continue to advocate for clear consistent consequences for all offenders

### End of Year 1 Update:

**2010-407 Felony Drug Cases Filed in Superior Court #2**  
**154 Drug Cases Filed in Circuit Court**  
**2011-506 Felony Drug Cases Filed in Superior Court #2**  
**116 Drug Cases Filed in Circuit Court**
- **Indiana State Police K 9- named Kilo-12 month activity:**
- Over the last 12 months the K9 team has participated in **28 Public Appearances**. During these appearances for various civic / public organizations the team promoted Alcohol and Drug Abuse Awareness.
- **During the period of July 2011 – June 2012**, the K9 Team conducted 85 narcotic searches resulting in 32 suspects being arrested. Over 276 lbs of marijuana were seized thru traffic stops, residential searches and parcel interdiction. Smaller amounts of cocaine, methamphetamine and heroin were also seized. One traffic stop yielded 50 lbs, and 10 lbs of Marijuana. An interdiction investigation at the Clark Co Airport yielded 200 lbs of marijuana being seized along with an aircraft. Approximately \$99,600 dollars in cash and assets were seized thru narcotic investigations. Monies from these seizures have purchased police equipment for multiple LE agencies in Clark Co thru the Clark Co Prosecutor's office. The K9 team assisted other agencies on twenty three (23) details.
- **Indiana State Police- Sellersburg Post, Marijuana Eradication Report: Plants- 1,857 Criminal Charges-17**

- The LCC has provided funding for **8 Law Enforcement and/or Justice programs**

### End of Year 2 Update:

#### 1. Prevention/Education

- 2013 IPRC ATOD Survey-10th grade monthly use prevalence rate for Marijuana: ***Southeast Region 15.8%, which is a decrease of .8%***
- **Afternoons Rock-** Served **1,145** Youth in Southern Indiana Counties, including Clark County
- Our Place Drug & Alcohol Education Services-**Footprints for Life Program Participates-2,126** in Clark, Floyd and Harrison County
- Clark County Youth Shelter **Family Education and Support Program-186 Program Participates**
- Jeffersonville Police Department-**DARE Graduates-541**
- **Terrace of Park Place Neighborhood Association Block Watch Training-** 23 Neighborhoods in Jeffersonville had 3-5 representatives attend Block Watch training covering a variety of topics including safety and substance abuse. The representatives will in turn be taking the training and education that they received, back to their neighborhoods and offer the education to them. Several of the presenters were members of the LCC, as well as the Executive Director assisted in the planning and coordination of the training.
- This year the LCC funding a new project submitted by the **Greater Clark County School Corporation** to provide awareness and education on the effects of substance abuse and/or misuse, and how substance abuse can lead to suicide
- Members from the LCC attended the **Indiana Student Achievement Conference on Learning**, in January, at Indianapolis
- At the May “Lunch and Learn” **Judge Vicki Carmichael and Lyda Abell presented about JDAI and the Clark County Detention Center**
- The LCC received the **College Success Award from the Commission of Higher Education**, at the State Rotunda on May 8, 2013, for all of the work with community partnerships that provides programs and services for students, in Clark County
- Members from the LCC attended the **College Success Coalition Training**, in June, at Indianapolis
- In July, the Executive Director, and Jason Jackson, the LCC Vice-Chair and an officer of the Jeffersonville Police Department, attended the **CADCA Mid-Year Training Institute**
- In August, the Executive Director presented to members of **CADIN** at their monthly meeting, about how to create a tracking system for their County DFC collections
- The Executive Director and other community members from the LCC attended the **IYI Kid’s Count Conference**, in December, at Indianapolis IN
- The LCC Executive Director working in conjunction with the County Clerk and Auditor’s Offices found money that was accredited into the wrong fund, but has been transferred into the **County Drug-Free Community Fund**

- Through the County DFC funding, the LCC has provided funding for **16 Prevention/Education and/or After School/Summer programs that are on-going throughout the year**, in Clark County

## 2. Treatment/Intervention

- Brandon's House Counseling Center provided **194 Free Master's Level Hours of Counseling, serving Individuals and/or Families Sessions**
- Since January 1, 2013, **Childplace Counseling Services** has completed 6 initial assessments, 25 individual counseling sessions, 2 family sessions, 5 medication management sessions and 7 urine drug screens
- Life Spring provided comprehensive behavioral health and addiction related services to **2,301 Clark County residents**
- **LifeSpring which serves both Clark and Floyd County** purchased two evidenced based curriculums. The **SASSI** is being used for youth and adults who are at risk for substance abuse. LifeSpring is working with referral sources to properly identify those at risk for substance dependence and screen those fitting the criteria. *The Hazelden Co-Occurring Disorders Program*” is being used by the Assertive Community Treatment (ACT) Team, an intensive, multi-disciplinary program using home and community visits as the primary mode of intervention and integration into different aspects of treatment and community assimilation. ACT is primarily for clients who have a history of multiple hospitalizations and difficulty maintaining independence and sustainability. The ACT team is comprised of a psychiatrist, a team leader, a nurse, substance abuse specialists, supported employment specialists and other mental health providers, as appropriate. This funding is providing evidence base curriculum for the substance abuse specialist to use with clients. Both of these curriculums have been validated as effective treatment mechanisms. **SASSI is the Substance Abuse Subtle Screening Inventory**, a psychological questionnaire that is designed to screen individuals for substance dependence and substance abuse. This instrument has been validated and is considered to be an Evidence Based Practice. **The Hazelden Co-Occurring Disorders Program** was purchased for use by the ACT Team. The program consists of five curricula, a DVD, and the Clinical Administrator's Guidebook. These resources will be used to screen, access, and treat residents who suffer from a psychiatric illness and a co-occurring substance use disorder. Worksheets, handouts and video information is available for clients and their families. This program is flexible enough to offer a standardized yet customizable treatment experience. It gives clients the knowledge; structure and support they need to achieve abstinence from drugs and initiate a long-term program of mental health recovery
- Our Place Drug & Alcohol Services served: **188 youth and adults in their Early Intervention Program, 35 adolescents and participating family members in the Journey Adolescent Intensive Outpatient Program**
- Clark County Youth Shelter **Betting Against Drugs Program served 186 Program Participates**
- In 2013, Clark County **Drug Court-61 Active Participants, 5 Participants Graduated, and 4 Participants Terminated from the program**

- Through the County DFC funding, the LCC has provided funding for **15 Treatment and Intervention programs that are on-going throughout the year**, in Clark County

### 3. Law Enforcement/Justice

- Marijuana Related Arrests, 1/01/12— 12/31/12 Clark County Sheriff's Department**

	Under 18		18 and Over		Totals

### Final Report (end of Year 3):

- 1.
- 2.
- 3.

### D. Objectives:

#### 1. Prevention and Education

- A. Improve and increase prevention/education programs provided by the schools and other community organizations with an emphasis on proven prevention strategies and curriculum
- B. Continue to support after school and summer programs for all children and youth
- C. Increase general public awareness of local issues related to prescription drug misuse and/or abuse as well as efforts and programs to reduce prescription drug misuse and/or abuse use in our community
- D. Implement a social norms education campaign within the community
- E. Recruit and train new LCC members with an emphasis on physicians and pharmacists
- F. Advocate and support prescription drug disposal programs
- G. Increase protective factors in an effort to promote healthy behaviors among youth

#### 2. Treatment and Intervention

- A. Continue to support affordable, effective, treatment programs/services, provided by credentialed professionals

- B. Identify adults and youth with addictions earlier and refer those individuals to treatment

## 2. Treatment/Intervention

- Brandon's House Counseling Center provided **194 Free Master's Level Hours of Counseling, serving Individuals and/or Families Sessions**
- Since January 1, 2013, **Childplace Counseling Services** has completed 6 initial assessments, 25 individual counseling sessions, 2 family sessions, 5 medication management sessions and 7 urine drug screens
- Life Spring provided comprehensive behavioral health and addiction related services to **2,301 Clark County residents**
- **LifeSpring which serves both Clark and Floyd County** purchased two evidenced based curriculums. The **SASSI** is being used for youth and adults who are at risk for substance abuse. LifeSpring is working with referral sources to properly identify those at risk for substance dependence and screen those fitting the criteria. *The Hazelden Co-Occurring Disorders Program*” is being used by the Assertive Community Treatment (ACT) Team, an intensive, multi-disciplinary program using home and community visits as the primary mode of intervention and integration into different aspects of treatment and community assimilation. ACT is primarily for clients who have a history of multiple hospitalizations and difficulty maintaining independence and sustainability. The ACT team is comprised of a psychiatrist, a team leader, a nurse, substance abuse specialists, supported employment specialists and other mental health providers, as appropriate. This funding is providing evidence base curriculum for the substance abuse specialist to use with clients. Both of these curriculums have been validated as effective treatment mechanisms. **SASSI is the Substance Abuse Subtle Screening Inventory**, a psychological questionnaire that is designed to screen individuals for substance dependence and substance abuse. This instrument has been validated and is considered to be an Evidence Based Practice. **The Hazelden Co-Occurring Disorders Program** was purchased for use by the ACT Team. The program consists of five curricula, a DVD, and the Clinical Administrator’s Guidebook. These resources will be used to screen, assess, and treat residents who suffer from a psychiatric illness and a co-occurring substance use disorder. Worksheets, handouts and video information is available for clients and their families. This program is flexible enough to offer a standardized yet customizable treatment experience. It gives clients the knowledge; structure and support they need to achieve abstinence from drugs and initiate a long-term program of mental health recovery
- Our Place Drug & Alcohol Services served: **188 youth and adults in their Early Intervention Program, 35 adolescents and participating family members in the Journey Adolescent Intensive Outpatient Program**
- Clark County Youth Shelter **Betting Against Drugs Program served 186 Program Participants**
